

Bedrock™ 3 in 1 Bed Frame

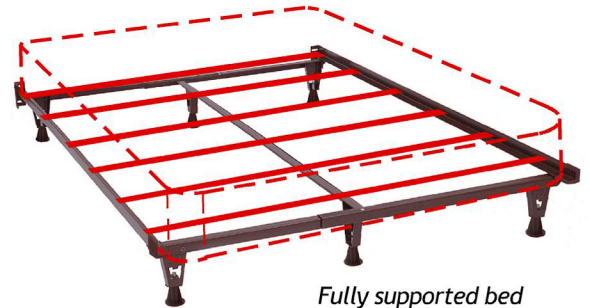

- The Bedrock™ bed frame will support your luxury mattress set.

The Bedrock™ bed frame features a head to toe steel center support in twin, full and queen size and 1 1/2" tall hardened steel side rails, 71 inches long. It also features six heavy duty glides. This frame moves easily on carpet and gives excellent stability on hard wood floors.

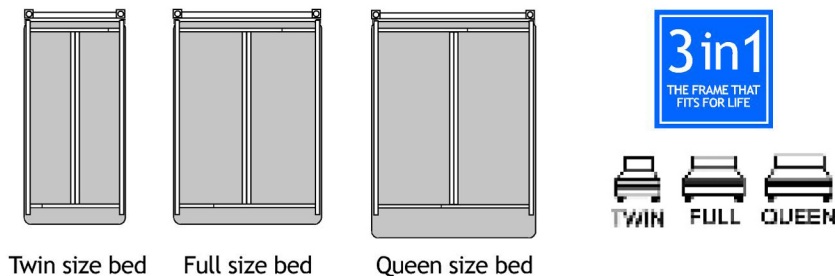

- Complete support for your mattress

With six points of contact and extended length side rails, the Bedrock™ bed frame supports the entire mattress set, giving excellent support.

- One frame, once in a lifetime purchase.

The Bedrock™ 3 in 1 bed frame is the frame that fits for life, covering the complete spectrum of bedding sizes: Twin, Full, and Queen.
